

Arabella-Register der Arabella-Freunde Deutschland IG

General

The Arabella register the 'Arabella-Freunde Deutschland IG' is a listing of all the world's existing Arabellas. This draws its content from feedback from owners and aficionados of the scene, but also from research. It was created with great care, any liability for the correctness and completeness will still be implemented in any way. For privacy reasons, no personal data of the owner called. At the moment it is checked if and how the owner may wish further information can be published.

The classification of the state of the vehicles is based on the now well-established grading system

- Note 1 => Grade 1 (Very good condition)
- Note 2 => Grade 2 (Good Condition)
- Note 3 => Grade 3 (Used condition)
- Note 4 => Grade 4 (Consumed state)
- Note 5 => Grade 5 (restoration needy state)
- Component Carrier

This information will be made in the register only when a response is made the owner of the record sheet for the Arabella-register, otherwise state model and are marked "Unknown."

For the marking "road legal" requires the IG no feedback, if it is known that the vehicle is moved on the road.

The full or partial disclosure of the contents of this register must be approved by the 'Arabella-Freunde Deutschland IG' inquiries please address to the disclaimer published contact address.
